Project FRESH is holding a meeting for the North West & Central Lower Peninsula. The coordinators objectives are as follows:

1. To bring together Market Masters, Farmers, MSU Extension, Lead Agency Officials, and WIC Benefit Recipients (their families too) in order to discuss difficulties and problems faced in the region.
2. To find what solutions allowed Masters, Farmers, etc, that they came up with or used themselves to overcome such adversities faced in the Region.
3. Instill confidence in the feasibility of raising redemption rates in local markets.
4. To build networks between those who attend for continued support and constructive dialog.
